### Morrisby Profile Program

The Morrisby Profile is a program for clients above the age of 15. This program will assist clients to:

- Discover what skills and abilities they could bring to a job.
- Find out about what jobs match their abilities, interests and personality, and the subjects or training they need for those jobs.

As part of the program, the client will:

- Complete a series of online questions and quizzes (on the Morrisby Profile website).
- Receive a Morrisby Profile Report showing the results from the questions and quizzes, and possible jobs that match their abilities, interests and personality.
- Have a follow up meeting with a Morrisby-trained Career Practitioner, who will explain the report to the client.

Morrisby Practice Assessment – This mini assessment is intended to demonstrate how the Morrisby Assessment works, and the types of questions clients will encounter.
